

Home Is Just the Beginning

Elevation Community Land Trust (ECLT) is a statewide non-profit that makes homeownership more accessible for Coloradoans through the community land trust (CLT) model, a proven tool for creating and preserving accessible, inclusive communities for generations.

CLTs help increase household financial security by providing housing stability and the opportunity to build wealth.

70%

ECLT prices homes to be affordable to a household earning 70% of Area Median Income

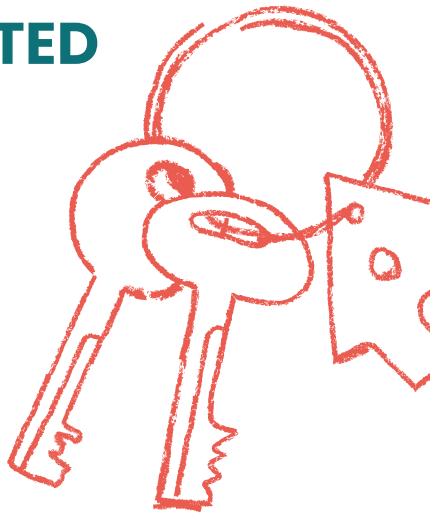

40%

ECLT homes, on average, are priced 40% below market cost for a comparable home

4 STEPS TO ECLT HOMEOWNERSHIP

- 1** Fill out an interest form to determine if ECLT homeownership is a good fit
- 2** Speak with an ECLT Participating Lender to get a mortgage pre-approval
- 3** Finish your application by completing education courses and upload remaining docs.
- 4** Go under contract on a home, pursue DOORs, or join our waitlist!
